VISION AND VALUES

COMMUNITY - RESPECT - INCLUSIVITY - LEADERSHIP - SUPPORT

At VALOR, we are steadfast in our commitment to embodying our core values of **Community**, **Respect**, **Inclusivity**, **Leadership**, and **Support**. Our mission is to foster a vibrant and inclusive gaming environment where every individual feels a sense of belonging and safety.

We believe in the power of teamwork, mutual respect, and a shared passion for gaming to drive our community forward. Our dedication to inclusivity means that regardless of beliefs, lifestyle, or preferences, everyone is welcomed and valued.

VALOR offers a home for gamers of all playstyles, interests, and skill levels. Whether your focus is on Raiding, Dungeons, Open World content, PVP, crafting, transmogs, or social interactions, there is a place for you here. For those with content or competitive aspirations, we have dedicated teams ready to support your goals. Our leadership team ensures a variety of community events each week to cater to diverse interests and preferences.

Navigating a large community can be daunting, but at VALOR, we prioritize making connections and building friendships. Through weekly meetups, open hangout channels, an active Discord server, and in-person gatherings, we provide multiple avenues for members to interact and forge meaningful relationships at their own pace.

While forming cliques is natural in any community, we actively encourage members to attend community meetups and game nights to expand their social circles and meet new people. Monthly topics, spotlight articles, and resources are provided to facilitate engagement and enhance the community experience.

At the heart of our community are our leaders, who inspire positive change both within our community and in the games we play. Together, we strive to uphold our values as we evolve and grow, creating an environment where everyone feels empowered to reach their fullest potential.

In our community, every voice, every idea, and every person matters.

OUR COMMITMENT TO THE COMMUNITY

We are committed to improving your experience and, based on your feedback, we'll be dedicating the next few months to streamlining and updating various aspects of our community.

Your Feedback Matters!

If you haven't already, please take a moment to fill out our feedback form. Your participation and feedback are what make our community great. Don't hesitate to share your thoughts.

That feedback is crucial for us to make the right improvements and keep moving forward in the direction that the community wants.

By completing the form, you'll be entered for a chance to win a Battle.net gift card!

Adding a new Community Events Manager

The addition of this role will allow us to plan and execute more in-game social events, foster a stronger sense of community and provide additional tools to allow members to meet new people.

We're launching dedicated nights for lower Mythic+ key runs. This initiative aims to:

- Help members build confidence in Mythic+ dungeons
- Provide mentorship and support for those looking to progress
- Create a friendly and supportive environment for learning

Stay Tuned for Upcoming Events!

Thank You for Being a Part of Our Community!

Together, we can create a better, more enjoyable gaming experience for everyone

FINDING YOUR PLACE IN VALOR

We understand that joining a large community can feel overwhelming. Finding your place amidst so many members may seem daunting, but we're here to help you feel at home and make meaningful connections. Here's how you can get started and become an active part of our community:

1. Introduce Yourself:

Start by introducing yourself in the #introductions channel on Discord. Share a bit about who you are, what games you enjoy, and any other interests you have. This is a great way to start conversations and find people with similar interests.

2. Share Your Thoughts:

Participate in our monthly discussions section. Each month, we feature different topics where you can share your thoughts, experiences, and opinions. It's a fantastic way to engage with others and contribute to lively discussions.

3. Join Community Events:

Community Game Nights: Held regularly, these are perfect opportunities to play your favorite games with other community members, have fun, and maybe even discover new games.

Weekly Guild Night: Every Thursday, we gather for Guild Night. It's a great chance to team up, socialize, and enjoy games together.

4. Navigating Cliques:

In any large community, cliques and friend groups naturally form. While these can sometimes make it feel hard to break in, we strive to provide various events, tools, and resources to help every member find their place and meet new people. We are a welcoming community. Whether you're looking for a group to game with, people to chat with, or just a place to hang out, we're here to support you. Don't hesitate to reach out, join in on the fun, and make the community your own.

5. Engage at Your Own Pace:

There's no pressure to dive in immediately. Take your time to observe, engage in discussions, and join events as you feel comfortable. Remember, you'll get out of the community what you put in, and as you become more active, people will get to know you better.

We look forward to seeing you around and getting to know you better!

UPDATES AND IMPROVEMENTS

Our Plan for the Next Few Months:

Revamping Website Content and Design: We are committed to cleaning up and enhancing our website's information and style to ensure a smoother and more engaging user experience.

Optimizing Discord Tools and Resources: We will streamline our Discord tools, bots, and resources to make them more efficient and user-friendly.

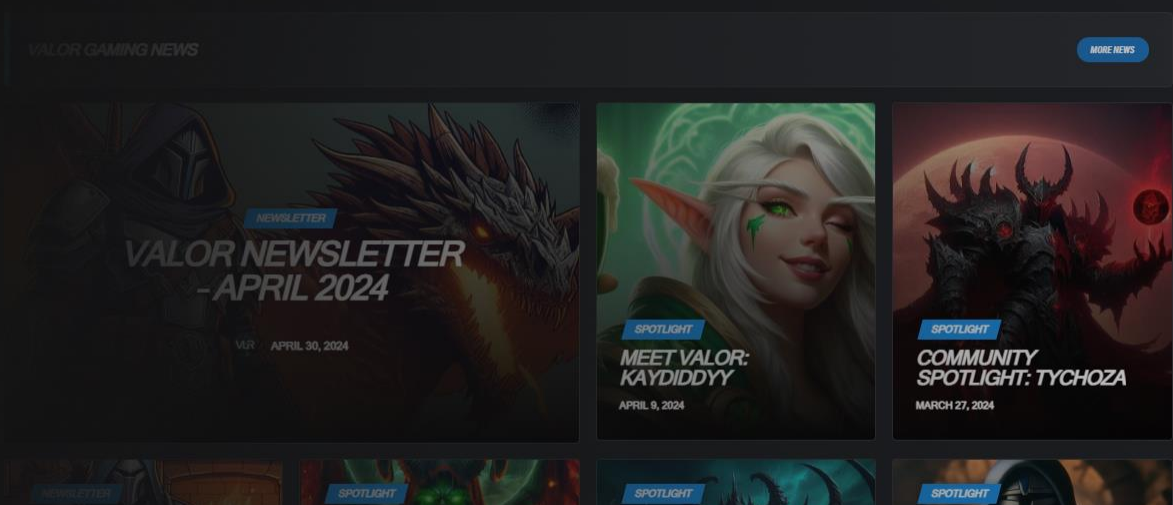

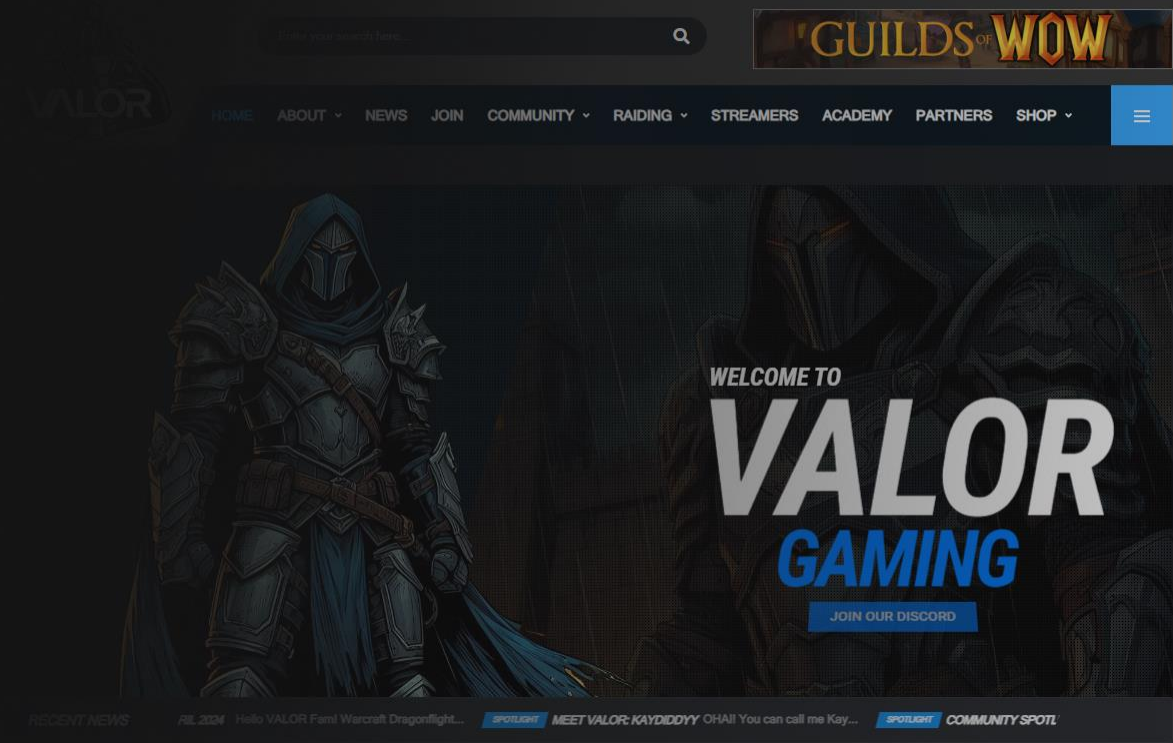

Add a "welcome to discord" section. Short guide on how to navigate, find most important areas.

Add "IRL" resources section. Gaming jobs, Mental health, various other support tools.

Refreshing Discord Information Channels: Our goal is to update and simplify our Discord information channels, removing unnecessary ones for better clarity.

Enhancing Consistency and Accessibility: We aim to make all information and graphics consistent and easily accessible, ensuring that you can find what you need quickly and effortlessly.

By focusing on these areas, we plan to create a more organized, cohesive, and user-friendly community experience.

COMMUNITY GROUP & GUILD UPDATES

With the addition of VALOR-II we have setup a Battle.net community group so that regardless of what character you're signed into you can communicate easily in game with the community.

Prior to TWW we will be cleaning up the guild bank. As we want to take advantage of selling left over Dragonflight items while the gold cost is still higher, we will be selling the left-over items on July 1st 2024. We will be restocking the bank once TWW has released.

Please take what you want, if you need something from the officer tab or a tab you are limited to please ask an officer.

We have also updated the guild roles and bank information that can be found under the  | GUILD-INFO channel in discord.
